Do you remember the movie “Back to the Future” with Michael J. Fox? The title of that great classic sums up what is happening here at Precept Ministries International. We are headed boldly into the future, but with a strong foundation from our past. God founded this ministry with men, women and teens gathering to discover truth for themselves in small-group Bible study. Today, God has laid it on our hearts to renew our focus on small-group Bible Study by recruiting and supporting local Bible study leaders. We have shaped our entire organization around the mission of establishing people in God’s word, by helping folks discover truth with the Inductive Bible Study Method, go deeper with others in small-group Bible Study and disciple others by becoming a Bible study leader or mentor.

God has given us the tools and platform to succeed in our mission through enhancements to our website, www.Precept.org. This includes the addition of Precept Online Community, an internet-based tool enabling Bible study leaders and students to connect, equip and make disciples. Decades of teaching and training materials have been compiled into an amazing Resource Library. Questions and issues you may encounter are addressed in online support groups. Promote your class and events through the events calendar! You can also set up a group in the Online Community to share resources and have discussions with your students. We have groups to meet specific needs and interests. Our experienced and passionate staff leaders moderate discussions in these groups to support you and help you become the best Bible study leader you can be. I regularly post in my online community blog, Find it Yourself, on tough issues in the Scriptures.

Do you want to connect with like-minded believers who are eager to study God’s word? Join us at www.Precept.org and create your FREE account today. See you online!

David Arthur, CEO

Precept Network is an interconnected, committed group of volunteers passionately using their gifts and abilities to accomplish the mission of establishing people in God’s Word!

In support of this mission, Precept Network Area Teams launched in the summer of 2012! The goal of these teams is to connect and equip Bible Study Leaders in their local communities to impact others with the life-transforming study of God’s Word through the Inductive Bible Study Method. The Area Team will provide support in states across the country. Please be in prayer for the teams as they branch out in faith to reach more and more people. If you would like to see if there is an Area Team near you, click here for a list of the current teams and their locations. If you do not find an Area Team close to you, join our Online Community Bible Study Leader Enrichment Groups. As a registered Bible Study Leader, you will be contacted when an Area Team is set up to serve your geographic area.
1 | What Is Precept Ministries?

Precept Ministries International serves the church by helping to establish people in God’s Word, using Inductive Bible Study. The ministry’s vision is to equip and encourage people to live as exemplary followers of Jesus Christ, studying the Bible inductively, viewing the world Biblically, making disciples intentionally and serving the church faithfully in the power of the Holy Spirit.

Through workshops, conferences, radio and television, the ministry provides training in Inductive Bible Study skills, which includes leading dynamic small group discussions. Inductive Bible Study materials are available in nearly 70 languages. Hundreds of thousands of men, women, teens and children in close to 185 countries have discovered Truth for themselves using the Inductive Bible Study Method through the work of Precept Ministries International.

2 | What Is Inductive Bible Study?

Inductive Bible Study is using the Bible as your primary source. You will Discover Truth for Yourself by using these three skills:

**OBSERVATION**

In an age of speed, noise, and endless distractions, you need to slow down and focus on God’s Word. Observation skills like marking, listing, and asking strategic questions will help you see and retain what the text says.

**INTERPRETATION**

Careful observation enables you to discover what the text means in its context. The more accurate your observations are, the greater your understanding of God’s Word.

**APPLICATION**

The Creator and Author of life has chosen to show you how to live a satisfying, eternally significant life. Intentional, disciplined observation and interpretation lead you to biblical application that’s life-changing!

3 | How to Choose a Bible Study

**Determine what you want from your time of study.**

Everyone is busy but we make time for the things we value the most. Once you’ve experienced the joy and intimacy that intentional time in God’s Word can bring, you’ll undoubtedly want more. Precept’s Inductive Bible Studies come in many formats to suit the time you can invest.

**Decide your area of study.**

Ask God for direction for your study and for your small group, if you lead one. Interested in a specific topic, a broad survey or an in-depth study of an entire book of the Bible? Precept’s Inductive Bible Studies cover it all, at every depth.

**Ask God to reveal Himself and His will to you through your study of His Word.**

God can reveal Truth to you through His Word. Seek His guidance and blessing and then you’re ready to begin!

⭐—Good studies for students new to Precept

www.precept.org
All audio lectures now available as MP3 downloads! Only $2.99 per lecture! Order online.
Study Isaiah, the crown jewel of Old Testament prophets, and come face-to-face with “the Holy One of Israel.” He witnessed Judah’s spiritual and moral deterioration and preached the vision he received, warning God’s people of approaching captivity and judgment. Learn timeless truths about sin and judgment that are relevant today for your life.

Even as Isaiah warned about the awful consequences of sin, he also delivered God’s message of consolation. Study how the Holy God will ultimately humiliate sin and exalt justice and righteousness. Explore the hope of the coming Messiah, His universal kingdom, justice and restoration!

Get to know the Most High God and understand the times we live in through the prophetic book of Daniel. Listen to what God says to Daniel—and to you—so that you might “dare to be a Daniel”—a man or woman of uncompromising faith!

Precepts For Life®, hosted by Kay Arthur, is a daily radio, TV and internet teaching program that takes you through the Bible book-by-book, verse-by-verse using the Precept™ Inductive Bible Study Method.

- Flexible format suitable for group or personal study.
- Requires limited personal study time.
- Study Companions provide more in-depth study.
- CDs/DVDs and Study Companions can be used separately or together.
- No Leader Training required.

In the days of Jeremiah, Israel’s spiritual condition was much like our nation’s today. God chose Jeremiah to call people to turn from sin and idolatry and return to Him. Facing unbelievable opposition, Jeremiah warned the people—who wouldn’t listen—of God’s holy wrath that would soon be poured out.

Before and during the Babylonian exile, the prophet Jeremiah warned God’s people to repent and return. Although the people rejected the prophets and continued to disobey the Word of the Lord, God didn’t reject His covenant. Study God’s judgment as well as His promises of hope and restoration—including a glimpse of the New Covenant.

Matthew begins with Jesus’ humble birth as son of David, son of Abraham and ends with His universal authority over heaven and earth, His commission to His followers to make and teach disciples of all nations, and His promise to be with them always, to the end of the age.

Solid Truth for Slippery Times
An Inductive Study of Galatians
by Pam Gillaspie

It’s easy to be ‘bewitched’ by ‘another gospel’ if you don’t know the True Gospel. The Galatians, like many people today, went along with what felt right in the moment rather than standing firm on truth, but the Apostle Paul was unwilling to leave them in their muddled thinking. In the midst of zealous deceivers, Paul reminds his readers that at the heart of the True Gospel is the cross of Jesus Christ, that God has always saved His people by faith, and that in Christ, God turns slaves into sons!

We are living in slippery times. Solid truth is the only antidote. In a world where people love mixing and matching religious ideas it’s critical to know truth for yourself so you can discern the influence of ‘other gospels’ and live in the power and freedom of the True Gospel of Jesus Christ.

Doctrine

Contrary to an all too popular belief, doctrine is not a bad word! Don’t believe any label that implies doctrine is stuffy, legalistic, or secondary to more important and more spiritual pursuits. Your lifestyle flows out of your doctrine every moment of every day whether you know it or not.

Through the book of Titus you can see what it says about the importance of your doctrine. Examine the Scriptures in community with other students through the process of Inductive Bible study, and take the time to see the importance of sound doctrine—because what you believe matters!

...In the Last Days

COMING SOON!

TRANSFORM™ WEEKEND SERIES

God’s Word is full of prophecy about the last days, the coming of Christ, and warnings about the end times. Do you know these prophecies? Do they scare or excite you? Do you ever wonder why they’re included in Scripture? Do you ask yourself how our lives are supposed to change as we study them?

Most Christians deal with questions similar to these when thinking about the last days. Don’t worry; you’re not alone! Study God’s Word to find answers to these questions. By looking at passages in 2 Peter, students will be challenged to look into their own hearts and lives to see how they are living in the Last Days.
Transform Student Ministries’ Dirty Jobs is an eye-opening study of God’s Word that will help you see how seriously God takes your responsibility to care for the sick, feed the hungry, shelter the homeless and share the Gospel! It’s a dirty job, but the Church is called to do it.

Resolve COMING SOON! TRANSFORM™ WEEKEND SERIES

How can Christian students live in this broken down world, filled with sin and distractions at every turn, and not compromise? Is it even possible? What’s the balance between using the world as an opportunity for sharing Christ or just being dragged down? It’s a hard balance to strike, but one that God has prepared us for with the example of a teen named Daniel.

**Joseph—Surrendering to God’s Sovereignty**  
*(Genesis 37–50)*

Through diligent, inductive study students will learn how to rise above their circumstances and live victoriously through the power of knowing that God is with them... even when their dreams are shattered. They will focus on Genesis 37–50 and learn life-altering truths about God's sovereignty in the midst of adversity, how to handle injustice, and how a young man and woman can keep their ways pure.

**Joshua—The Battle Begins**

God repeatedly told Joshua to be strong and courageous and called Joshua to fulfill His plan even in the midst of struggles and opposition. What did Joshua know about God that made him victorious? Through this study, students can learn to stand boldly and trust God through trials and conflicts.

**Exodus—Set Free, Set Apart**

After 400 years in captivity, Israel's cry rose up to God and He remembered His covenant promise. This state of bondage marks the beginning of an amazing story of God’s deliverance through a man named Moses. Students will explore God’s call on Moses’ life, and study in-depth God’s holiness and His desire for personal holiness among His people.

**Judges—A Deliverer Arises**

The period of the Judges is one of the darkest recorded in Israel's history. Apathy, murder, religious corruption, rape, homosexuality, war, terror, nation oppressing nation—sounds like today's headlines, doesn't it? Students discover similarities between Judges and their generation and learn how they can turn the tide of this generation.

Pastor Resources

The Bible gives us a glorious picture of how the body of Christ functions when believers are in a growing relationship with the Lord. But churches today are often spiritually handicapped by Biblical ignorance forcing pastors to focus on disputes and logistics rather than “equipping the saints” and “building the body.” Consider how your church and even your community might change if believers were actively engaged in Bible studies that equipped them to find their place of service. Precept Ministries exists to come alongside churches by offering Inductive Bible studies and resources along with leader training that can effectively grow a struggling church into a vibrant and maturing body. For more information please visit www.precept.org/pastors.
